River Ridge Elementary will continue the use of the same number system used in past years for students who are dismissed from school as car riders. To avoid any confusion and make the process easier, please complete the application below to receive the same number you were issued last year. If you have misplaced your number card, a new one can be issued to you. All applications for a previous year's number must be received by August 30, 2012 to ensure receipt of the same number. Applications received after that date will not guarantee the same number as last year.

If you have never taken part in the car rider number system, please complete the application to receive an assigned number card to hang on your visor or rear-view mirror. Your child will need to memorize this number. This number will be used to dismiss students from the gym doors at the end of each school day. At dismissal, please stay in your car in line, make sure your number is clearly displayed and wait for your child to be dismissed.

Only one application per family is necessary. Each family will be issued one free number card. Additional number cards can be purchased for \$2.00 each.

Thank you for your cooperation in getting this new school year off to a great start!
