Home of the Champions!

September 24th 2018

Did you know...

The Kenton County School District Code of Expected Behavior lists examples of levels of discipline and responses on page 26. On the page it lists the four levels of responses and examples of these responses.

Staff Spotlight

This week we will spotlight Melody Simms, Family Resource Coordinator. I have worked at Kenton Elementary for almost 13 years and the people (students, staff, and families) are my MOST FAVORITE thing about working here. My great family is made up of my husband Chad, two kids named Gracie and Monroe and a furry black golden doodle named Cauley. I LOVE having fun with the kids at Kenton and it makes my day to see their bright smiles in the hallway! Being the Family Resource Coordinator here at Kenton, I get to work with all kiddos, helping them with whatever may be keeping them from learning as much as they can. If we have not met, please stop by and say hi! I love meeting our new faces and making people feel welcome here at Kenton! Thanks for reading all about me, I hope you have a great day!

Thank you to the families that attended the Kenton Elementary Title I parent University on Tuesday, September 18th. This was a great opportunity to discuss curriculum and instruction with your child will participate in this school year.
