

Welcome to first grade at River Ridge Elementary School! There are seven teachers on our first grade team and we are all so excited to be working with you and your child this upcoming school year!

First grade is such a wonderful year when strong foundations are formed, lasting friendships are made and a love for learning is developed. We, first grade teachers, work cooperatively to provide an engaging and rigorous curriculum that will help your child become an independent learner!

We believe that parent involvement and communication between home and school is very important. We welcome any questions, comments, or concerns that you may have and you can contact us by using the emails below.
