

Welcome to fifth grade at River Ridge. We are looking forward to an exciting year that will provide your child with learning opportunities that challenge his/her creative thinking and encourage the student to strive for excellence. Teaching fifth grade this year is Joanna Cox, Valarie Baker, Angel Meacham, Katy Kunkel, Jodi Klaiss, Kelsey St. John, and Samantha Lightner.

We will be using the Kenton County curriculum and timelines. You can access these documents through the Kenton County website. The curriculum is challenging and our expectations are high! On the state assessment, fifth grade students are accountable for Social Studies, Math, Reading and On-demand Writing.

Exciting events taking place this year are field trips, classroom visitors, Junior Achievement, and the annual kickball tournament.

It is important for us to communicate with each other. Feel free to contact us as questions or concerns arise. Our email addresses are on the school webpage. Click on the link Teachers' E-Mail addresses to access.
