

Kindergarten

Welcome to Kindergarten at River Ridge Elementary School!!! We offer a morning and an afternoon session. Our team consists of four regular education classrooms and three special education classrooms. We are excited to be working together to provide valuable learning experiences for your Kindergartener.

When planning instruction we use Kenton County's Curriculum Guide. You can find a copy of this and a timeline for kindergarten on the district's website at this link http://www.kenton.kyschools.us/content_page.aspx?cid=1084

Because you are your child's first teacher, we know that communication between school and home is very important. We encourage you to contact us as questions or concerns arise.
