Inclement Weather Phone Calls

The Kenton County School District uses the Bright Arrow Notification System (all call system) to notify everyone of important information such as school closings, delays, and early dismissals.

If you wish to remove your number from the call list or add an additional number to the list, please click [here](#):

From this page, one can have their numbers added or removed

Congratulations!!!!

The Kenton County Schools 3rd grade bowling league wrapped up their season and the River Ridge team consisting of Kali Wuest, Blake Kracher, Carson Gerrian, and Payton McFarland placed 3rd overall out of the 8 teams.

Congratulations to our 1st Attendance Winners who got to enjoy Lunch with a Principal and an extra special snack! Make sure your child is at school on time every day in order to earn a chance to eat Lunch with a Principal on December 20! Each week they are here on time every day they will have their name entered in a drawing for the lunch.
Look for new attendance incentives in January!

The Northern Kentucky Health Department has reported a few cases of confirmed Pertussis (Whooping Cough) in the Northern Kentucky area. Pertussis is a contagious disease that can be spread in settings where people are in close contact. The early cold-like symptoms of Pertussis progress to a persistent cough that won't go away and worsens with time, explosive bursts of coughing, vomiting after a coughing episode, a high pitched "woop" at the end of a coughing episode, and low grade fever. If your child exhibits any of these symptoms please contact your medical provider. We ask that you be on the alert to detect the early symptoms of the disease and take measures to prevent its transmission.

The best way to prevent Pertussis is by vaccination that is why it is important for us to have the proper, up to date immunization information for your child. The Northern Kentucky Health Department recommends the Tdap vaccine to adults who work in areas of close contact and parents of small children. This vaccine can be obtained from the health department for free, if your health care provider is unable to provide it. For more information, visit <http://www.nkyhealth.org/Pertussis-Fact-Sheet.aspx>. Please contact the Kenton County Health Department at [859-431-3345](tel:859-431-3345) with any additional question, concerns, or to make an appointment for the vaccine.

As always, we ask that you keep your child home if they have a temperature of 100 degrees and higher. Giving a fever reducer and sending them to school exposes other

students and will almost guarantee a call from school when the medication wears off.

We appreciate your cooperation as we work together to maintain a healthy environment for learning. If you need any additional information, please contact our school nurse [Cheryl Smith](#).

Reminder for special area classes

Please be sure to check what letter day rotation and special area class your child has so he/she can be prepared for class. With boot weather already here, please be aware of the days your child needs to wear gym shoes. Gym shoes are required for PE and PL classes. Thank you!

Car Rider drop off in the AM

Please make sure your child is ready to exit the car from the curb side in the morning so we may keep the line moving. School begins at 8:40 and the car rider door is locked at that time. If you arrive later than 8:40, it will be necessary to park and sign your child in at the office.

Car Rider pick up in the PM

If you are coming through the line, please remain in your car and load from the curb side so that our students stay safe and the line can continuously move.

Family Resource Center News

The Texas Roadhouse Gift Card Fundraiser has just ended and it was a huge success! Thank you so much for your support of our Family Resource Center. Winners will be announced at the end of the school day on Friday.

Santa is coming to River Ridge Elementary on December 19 to collect new socks and new shoes for the FRC! Gym shoes are preferred. We are collecting youth sizes for girls and boys. Our greatest need is sizes 11, 12, 13, 1 & 2. More details will be sent home, but be on the lookout for a good sale!

FRC Coordinator Contact Info: Shannon.yelton2@kenton.kyschools.us or [859-341-7935](tel:859-341-7935)

P.B.I.S Updates

P.B.I.S. stands for Positive Behavior Interventions and Supports. P.B.I.S. is a school wide program that emphasizes the intentional teaching, the continuous, consistent monitoring, and the positive reinforcement of expected behaviors.

You are invited to take a 6 question brief survey about our PBIS program. Questions are regarding our new color chart and positive behavior rewards. The PBIS committee would enjoy hearing from our RRE parents/guardians. Please take five minutes to give us your honest feedback.

Thank you!
