

All Incoming 4th & 5th Grade Students & Families

The 4th & 5th Grade classes utilize a binder organizational system which consists of a binder, pencil bag and specific color folders. In prior years, this organizational system was purchased through our PTO to ensure consistency in the systems.

This year, we are making a small change.....

Students can purchase their own 2-inch binder, but we are asking each family to purchase the plastic color folders & pencil bag through the PTO. The specific color are representative of a specific class or task. The total cost is \$10 & can be paid directly to the PTO. This is not a fundraiser for the school.

To ensure that you have the supplies for the 1st day, we are asking that you order now. The folders & bags will be distributed to the teachers to hand out the 1st day. Any that are ordered at Open House in August run the risk of being delayed until after the start of school.

Checks should be addressed to the River Ridge Elementary PTO.

Please make a selection from the options below & return to school with payment:

- Yes, my student needs the binder folders & pencil bag, \$10 payment included
- Yes, would like to sponsor the purchase of binder folders & pencil bag for another student, \$10 payment included
- No, we do not need. We will use the same from prior year.

Student's Name & Current Teacher: _____
