

River Ridge Preschool

Preschool will be your child's and for some of you as parents, first experience with school. We are excited to begin that transition for all of you and to collaborate to create a unique learning environment.

2016-17 school year launches our new curriculum '*BIG DAY IN PRE-K*' Your child's teacher will provide you with a link to access the website for wonderful learning opportunities for your child. We also incorporate many instructional practices from Conscious Discipline to help your child learn to regulate emotions and express feelings appropriately.

We have four preschool teachers who instruct both an AM and PM class. Those teachers and assistants are listed below. We look forward to a wonderful year.
