Comprehensive School Improvement Plan Goals

1	Collaborate to increase the percentage of students ready for Kindergarten from 50.0% in 2016 to 63.3% by 10/01/2017 as measured by the Brigance Early Childhood Screen.
2	Collaborate to ensure that teachers have autonomy to make decisions about instruction, from 40.9% in 2015 to 70.5% in 2017 by 06/01/2017 as measured by the 2017 Tell KY Survey.
3	Demonstrate a proficiency in each standard within the Writing Program Review by 10/01/2017 as measured by the school report card.
4	Collaborate to increase the average combined reading and math KPrep proficiency scores from 63.6% in 2016 to 73.4% by 10/01/2017 as measured by the school report card.
5	Collaborate to increase achievement for students in the special education gap group so the percentage of proficient and distinguished students increases in the area of reading from 35.3%

	in 2016 to 46.9% in 2017, and in math, from 23.5% in 2016 to 45.2% in 2017 by 10/01/2017 as measured by the school report card.
<u>6</u>	Collaborate to increase the achievement of students in reading by reducing the percentage of novice students from 11.9% in 2016 to 10.7% by 10/01/2017 as measured by the school report card
<u>7</u>	Collaborate to create a plan to increase the awareness of the district and school wellness policies to all faculty members to 100% by 10/01/2017 as measured by participation in professional learning opportunities, where sign-in sheets shall serve as documentation of faculty awareness.

River Ridge Elementary School Mission Statement:

We build the foundation for lifelong learners and productive citizens.

River Ridge Elementary School Belief Statements:

We believe that home, community, students, and educators working together can create a positive school environment in which all learners can succeed.

We believe each student is important and value the relationship we build with each student. We believe all children can learn to accept responsibility for their academic progress and their own actions.

We believe learning is maximized when students' physical, emotional, social, and intellectual needs are met. We believe effort creates ability.
