Spring Community Education

The Kenton County School District is excited to offer swim lessons and Zumba classes as part of our Spring 2019 Community Education session.

Swim lessons are available for children ages 4 to 16 and cost \$50 for six half-hour sessions.

2nd Annual
Team Kenton Foundation
Outstanding Graduate Ceremony
Honoring Justin Wietholter
04.04.19
Newport Aquarium

Outstanding Graduate Tickets on Sale!

Tickets are now on sale for the Team Kenton Foundation's Outstanding Graduate Ceremony on April 4, 2019 at the Newport Aquarium.

Your ticket includes a private viewing of the Newport Aquarium, unlimited appetizers and soft drinks and an opportunity to honor an outstanding Kenton County alumnus, Lt. Justin Wietholter from Scott High School. In addition, last year's winner, Doug Pelfrey, will be on hand to present Lt. Wietholter with the award.

Tickets for this event are \$75 and will benefit the Team Kenton Foundation, which is an independent non-profit organization created for the purpose of raising funds for, and increasing community awareness of, issues that will directly impact student learning and educational opportunities at all levels throughout the Kenton County School District. More specifically, tickets sales will go toward funding college and career certifications for students who want to take the tests, but may not be able to afford the fees.

Tickets may be purchased [by clicking here](#).

SVA is the Duke Energy School of the Week!

Did you catch Summit View Academy on Local12 this week? The school was honored as the Duke Energy and Local12 School of the Week for their Yuda band project! [Check out the segment here](#).

Winter Achievements

One of the goals of the Kenton County School District is to have ALL students participating in at least one extra-curricular activity by fourth grade. So we are very proud to see so many student achievements in winter athletics and activities. Congratulations to ALL students who participated in a winter sport or activity. We had a lot to celebrate!
