

Woodland Middle School
December SBDM Council Meeting Minutes
December 14, 2017

The meeting was called to order at 3:40 p.m. Present for the meeting were Jerry Cline, Lara Fuller, Allison Stacy-Schaefer, Erin Jordan, and Terrah Kelly

1. Opening Business

- a. Agenda approval – Allison Stacy-Schaefer made a motion to approve the agenda. Terrah Kelly seconded the agenda. Consensus was reached by the council.
- b. Approval of November minutes – Erin Jordan made a motion to approve the October meeting minutes. Allison Stacy-Schaefer seconded the motion. Consensus was reached by the council.
- c. Good news report – Debbie Gilbert will be presenting at our January faculty meeting and will follow up at weekly PLCs through the month of April. Debbie will work with teachers on strategies for working with kids who are trauma sensitive and how to teach students who struggle with mental health concerns. The 1st edition of The Paw Print school newspaper has been released and is receiving rave reviews. We are very proud of our students who created this professional looking publication and thanks to Mrs. Henderson for her leadership in making this project a success. There will be 2 more editions of the newspaper that will come out this school year.
- d. Public comment – There was no public comment, however we will encourage any parent input to be included with this section.

2. Student Achievement Report

- Currently finishing up the Winter MAP window. MAP data will be shared at the January SBDM meeting.

3. School Improvement Planning

- CSIP review.

4. Budget Report

- The current budget was reviewed.

5. Policy and Bylaw Readings

- 2nd Reading: Woodland – The council adopted the second reading of the Homework Policy
- 2nd Reading: Woodland – The council completed a second reading of the Admission to Advanced Language Arts Policy. This policy will be removed.
- 2nd Reading: Woodland – The council completed a second reading of the Admission to Math/Algebra I policy. This policy will be removed.

6. New Business

- CSIP review and approval. The CSIP was shared and discussed. A continued focus on use of data through PLCs, reading and math improvement focus, a continued focus on analyzing assessments and ensuring that students needing extra assistance are getting it. Allison Stacy-Schaefer made a motion to approve the CSIP. Laura Fuller seconded the CSIP approval. Consensus was reached by the council.
