

Dixie Heights High School SBDM Mission Statement

The Dixie Heights High School SBDM council's mission is to improve student achievement. Dixie SBDM's council must create an environment in our school that will result in students achieving increased levels of academic growth. The SBDM committee will interpret, monitor, and evaluate the school's progress toward the achievement of goals set forth in the Comprehensive School Improvement Plan (CSIP). All policies and decisions by the school council must contribute to achievement of the overall school mission.
