Grade level for school year, 2021-22: 10th 11th 12th (Circle One)

1. Parking is a privilege not a right. To park on campus a student must have a parking permit, which is purchased, in the Principal's office. The price is \$20.00 for the 2021-22 school year. The money is deposited into Dixie's Student Activity Account. A parking permit does guarantee a parking place. Park only in your designated numbered parking space. **DO NOT** Park in areas designated for faculty and staff, visitor's parking, another student's parking spot, NO PARKING areas or FIRE LANES.
2. **Students who purchase a parking pass in 2021-22 and then exceed 10 unexcused events (absences + tardies) will have their parking spot assignment revoked.**
Eligibility Criteria:
 - **Must not have more than 10 unexcused events (absences + tardy to school) in prior school year**
**** (Due to the pandemic, this requirement has been waived for the 2021-22 school year)**
 - **Must have a 2.0 cumulative GPA.**
3. After a parking permit is issued it is to be displayed by hanging from your minor of the car's windshield. Parking permits are transferable from one vehicle to another (owned by the family). However, **the parking permit is non-transferable to another student.** If the permit is lost or stolen, it must be repurchased for \$5.00.
4. Parking spots will be monitored daily, weekly and monthly. If we conclude that you are not parking in your spot on a regular basis, we reserve the right to sell the spot to another student.
5. Drivers who enter or leave campus in a reckless or improper manner will lose their parking privilege. Speed limit on campus is **5 MPH** and monitored by Law Enforcement. Students are expected to follow all Kentucky Traffic laws as well, School buses have the right of way at all times **YOU ARE NOT PERMITTED TO CUT IN FRONT OF ONE TO LEAVE.** A valid Kentucky driver's license is required to obtain a Dixie parking permit. All drivers must also have liability insurance.
6. Students may not return to their cars during the day unless permission is granted from the office.
7. Should events occur which necessitate that a car be inspected including the car's interior and trunk, the student shall consent to the inspection where sufficient cause exists in the judgment of the administration.
8. Dixie Heights High School, Kenton County Board of Education, and its employees are not liable for any theft or damage to any automobile or vehicle while on any school parking lot.
9. We do not have permission to park at local businesses. If you choose to park there you could be towed.
10. If someone has parked in your parking spot, park in a visitor spot and report this to the front office immediately. Do not park in any spot other than a visitor spot.
11. We agree to abide by these rules and regulations if permission is granted to park at Dixie Heights High School.
