Date: 09/27/2021 (Take 8)

Principal Message

Good Afternoon Patriot families!

What a beautiful weekend. I had a chance to see several Hinsdale families on a variety of athletic fields this weekend. Like most of you, I too was carpooling multiple children all over Northern Kentucky for sporting events, but what a great way to spend a day. :)

We do have some transportation notes this week, so please read.

We empathize with our current traffic situation on Dudley. On days such as today we will be lenient with tardies so please be patient.

Have a great week!!!

Mr. Feldmann

Transportation Notes

- Please DO NOT cut through the parking lot of the Marathon station on the corner. We have been contacted by the owner multiple times. This is a safety issue with pedestrians walking through the lot and other cars as well.
- Students are not allowed to ride the bus home with friends. Please make alternate transportation plans.

-
- We have had instances in car line where families are trying to loop through near the dumpster and not travel the normal route around the playground. With cars using both lanes to enter and exit this creates a heightened chance for an accident. I have witnessed several close calls. A few extra seconds around the back is better than an increased insurance bill. :)

SBDM Minority Representation

School Based Decision Making (SBDM) Council is in need of 1 minority parent representation, willing to serve a 1 year term. KRS 160.345 states "Minority" means American Indian; Alaskan native; African-American; Hispanic, including persons of Mexican, Puerto Rican, Cuban, and Central or South American origin; Pacific islander; or other ethnic group underrepresented in the school

The R.C. Hinsdale PTA will hold the election for a **minority** parent member of R.C. Hinsdale SBDM Council on Wednesday, October 6th at R.C. Hinsdale School as well as online. Results will be posted Friday, October 8th.

KDE Family Standards Resources

Are you interested in knowing what students are learning throughout the school day? This is a great website for families to understand the Kentucky Standards. Parents can support student learning by asking questions about the standards and what they are learning throughout the school day.

IMPORTANT ATTENDANCE INFORMATION

An attendance note (parent note or doctor note) is required any time your child is out of school, including late arrivals and early dismissals. Fillable attendance notes are available in the vestibule for your convenience. If your child is experiencing COVID - related symptoms, a doctor's note or negative COVID test is required to return.

Synchronous Learning

ATTENTION ALL PATRIOTS...Synchronous learning is up and running for our Hinsdale families. Synchronous learning is *ONLY* for families who have students who are being

Counselor's Corner- It's not easy being GREENE

Dear Parents/Guardians,

The Terrace Metrics Resiliency Survey is complete for grades 3, 4, and 5. If you did not receive a parent report of your child's results then please let me know. I can always print a copy and send it home with your child.

There is so much to think about each school year, but above all else, these simple rules can help keep you focused on what's most important for school success.

Do

- Focus on the process, not the product.
- Encourage kids to self-advocate.
- Keep a long-term perspective.
- Maintain a healthy sleep schedule.
- Love the child you have, not the child you wish you had.

Don't

- Overschedule.
- Worship grades.
- Encourage helplessness.
- Compare kids to one another.
- Love kids based on their performance.

Sincerely,

Mrs. Greene
