Covid Related Absences

If students are in quarantine due to a positive Covid test or exposure only, synchronous instruction will be provided. The family will be asked to complete a survey to document the reason for quarantine and determine a return date. The teachers will then contact parents regarding synchronous learning. If a student does not participate in synchronous learning it will be considered an excused absence and students will still be expected to make up the work. Please contact your child's teacher if you would like to pick up work while your child is out.

Covid Testing Information

KCSD has collaborated with Ethos Laboratories to create a voluntary COVID-19 testing program that will help us maintain in-person learning & school attendance.

For more info and to enroll your student in this program, visit our COVID-19 resource page: <https://www.kenton.k12.ky.us/>

Paperwork Needed

Please be sure to complete the back to school paperwork using the link below. If you have completed this already you do not need to do it again. Forms need to be completed for each child you have at Kenton. If you need paper copies please let us know.

[Staying Connected](#)

[Class Dojo and Parent Communication](#)

Please make sure you are connected with your child's class on *Class Dojo*. This will keep you connected with what is happening in the school and your child's classroom. Please reach out to your child's teacher if you need help getting set up. Please be patient with response times, keeping in mind that our teachers are providing instruction during the school day.
