### Covid Related Absences

If students are in quarantine due to a positive Covid test or exposure only, synchronous instruction will be provided. The family will be asked to complete a survey to document the reason for quarantine and determine a return date. The teachers will then contact parents regarding synchronous learning. If a student does not participate in synchronous learning it will be considered an excused absence and students will still be expected to make up the work. Please contact your child's teacher if you would like to pick up work while your child is out.

**School Pictures have changed to October 15th**

Starbridge, our new school picture company, has rescheduled pictures for October 15th. Please look for more information to come home soon.

## Complete this form to HELP Kenton Elementary receive funding to support academics!

The Kenton County School District will continue to provide students with free breakfast and lunch for the 2021-2022 school year, regardless of income. However, **it is imperative** that if your household would qualify for free- or reduced-price meals, **you still complete the *Free and Reduced-Price School Meals Application* for all students in your household**. By filling out this form, your child may receive additional benefits, and **the number of applications approved can affect how much funding schools receive to meet academic benchmarks.**
