WHAT MAKES NKU'S CAMP INNOVATION PROGRAMS EXCEPTIONAL?

- Camp Innovation attracts a diverse group of gifted, talented and creative people from all over our region!
- You will find **friends** who share your interests and love of learning.
- **Career exploration pathways** incorporated into every class.
- Classes are **fun!** Classes are interesting and interactive with a focus on transdisciplinary learning, technology integration, and authentic real-world learning.
- Emphasis on **intellectual challenge** through critical and creative thinking.
- Environment that values **creativity, diversity, entrepreneurship, and achievement.**
- Parents are invited to attend our FREE **Parent Place** workshops for coffee, networking, and stimulating conversations.
- Personal attention from **talented and caring teachers.** All teachers receive professional specialized training and ongoing support to help them meet the unique needs of gifted youth.
- Small class sizes for **caring, personalized, and differentiated instruction.**

SPORTS BUSINESS ACADEMY

GRADES 4-9, Saturday, November 16, 9:00 AM – 1:00 PM

NKU's Camp Innovation **Sports Business Academy** Program for students in grades 4-9 is filled with intensive and interactive experiential learning in learning about the business of sports marketing, sports promotions, even management, and media/community relations. The **Sports Business Academy** program is designed to allow students to explore Sports Business content with their peers by engaging with content experts and developing valuable leadership and decision-making skills. The Bureau of Labor Statistics predicts that job growth in sports management will grow faster than average for areas of the field through 2026 because of expansion due to multi-billion-dollar profits from the sports industry. Join us as we build our own sports teams, develop marketing plans, create venues for the teams, and examine sales and service. You don't want to miss this exploration into the business of sports!

CAMP INNOVATION PATHWAYS TO COLLEGE

GRADES K-9

Saturdays, October 26-November 9, 2019

9:00 – 11:30 am

Northern Kentucky University's Camp Innovation Pathways to College Program is a forward-thinking program designed for youth to discover and explore advanced content and engaged learning. All classes provide the opportunity for students to share interests with other children while exploring pathways to intellectual development, academic enhancement, career exploration, and creative artistic fulfillment. Camp Innovation offers transdisciplinary courses infusing entrepreneurship, science, mathematics, social studies, technology, visual and performing arts, and original interdisciplinary studies.
